We have just received availability for exhibitors at the upcoming Victory Lane Classic (VLC) AKC All Breed Shows and ESCC Specialty Shows in Concord, NC, from July 8-12, to reserve grooming spaces in the Cabarrus Event Center, and RV spots on the venue grounds. Details as follows:

- **Commencing this year, reservations for both entities are to be made via an electronic App.**
- **The App is open solely to clubs hosting Specialties briefly; however, will be open to the public sometime this coming week.**
- **Reservations are on a first come first served basis.**
- **Both Grooming Space and RV Spot reservations made via the App link at the bottom of this note.**

Information regarding Grooming Spaces is as follows:

- The shows will be conducted in the Event Center (consists of grooming spaces and show rings) and the Arena (just show rings). Depending upon the dog entry count, the Gold Hall may be used as well for show rings.
- CLICK for PDF titled **“VLC Grooming Spaces Map”** which provides locations of all grooming spaces by individual space number.
- Grooming Spaces are 8’ x 10’ for a fee of \$100 per space for the duration of the shows.
- The below link provides six areas in the Events Center to select and reserve from.
- Within the App, available spaces are shown by an icon and space number underneath. Once a space is reserved, the icon for that space is removed from the App.
- The process is self-explanatory and quite user friendly.

Information regarding RV Reservations as follows:

- 140 RV spots available on site
- Using the same link, click on the “RV Reservations” box
- As with the grooming spaces process, each RV spot has it’s own individual icon. Once an RV spot has been reserved, the icon for that spot disappears.
- Once you click on a specific spot icon, the following appears (from top to bottom):
 - Spot Number
 - Fee for the duration of the stay
 - Ignore the (- 1 +) line
 - Drop down box to select the duration of your reservation. Once selected, the Fee (noted above) automatically adjusts to your duration.
 - Scrolling down, there is a Description of that lot (length, paved, grass, electric, water, sewer).
 - Add to Cart and Payment
- CLICK for a PDF titled [“Concord RV Spots – Description by Spot Number”](#). This lists all 140 RV Spots and the Description of each spot. You may desire to identify desired candidate spots from this list before going into the link.
- CLICK for an [aerial view of the venue location](#) and RV spots in relation to the Event Center and Arena.
- CLICK for a [pictorial layout of the RV spots by number](#) for your use in identifying desired RV spot location, as well as an aerial view of the venue location, showing RV areas in relation to the Event Center and Arena.

Two other items to note:

1. Any changes once reservations are made will result in a 10% Restocking Fee; and
2. The App includes a tax as a charge in the reservation. The tax will NOT be charged as part of the reservation.

Monday, 16 February 2026 / Follow up on question re: reservations for folks attending back to back show weekends

To: ESCC Club Members

Some club members plan to attend the “Victory Lane Classic (VLC)” All Breed show cluster (July 8-12) in Concord, and stay on site to attend the “Speedway Classic (SC)” July 16-18.

As detailed in the below email, the VLC reservation process has shifted from an application format to an electronic App. As such, the reservation process does not accommodate both VLC and SC events as occurred in years past.

The following information is provided for those members desiring to secure one RV space for both VLC and SC events:

- Contact John Schoeneman (Speedway Classic point of contact) at 704.363.7238 or schohaus1@aol.com
- John will be able to advise what RV spaces are available (at that point in time) for the Speedway Classic weekend.
- Utilizing Speedway Classic information and VLC App, you can lock in on a designated RV space.
- One suggestion would be to identify some desired open spaces for the VLC event via the APP and see if they correspond with open spaces from John.

Unfortunately, John is unaware how Grooming spaces are to be reserved for the Speedway Classic shows.

Hope this info helps. / rob
